SIERRA PASSENGERS ASHORE FOR A WHILE

ARRIVAL OF BIG LINER IN PORT THIS MORNING-TRIP WAS A VERY UNEVENTFUL VOYAGE.

The steamship Sierra arrived off port early this morning and was moored at the Oceanic wharf at about 8 o'clock. She had a pleasant trip from the Colonies, leaving Sydney Sept. 15 and Auck- and Geodetic Survey Tables, or about a half hour. The passengers nobulu, vere taken ashore for a short jaunt. The officers of the vessel describe

he island as a very beautiful one. it is very low which makes it dangerous that although there are lights these are so low that they can not be seen from a vessel until it is quite close to There is no wharf on the island but communication between the

The Sterra carries quite a large list of passengers among them being the following for Honolulu: Lady Alexander, D. Jolly, Miss D. Baskerville, Henry Handley, Mrs. S. Grant, Miss M. Kerr, E. McNorwell and G. Cummings The Sierra is scheduled to leave for

## AT KALIHI

A great throng of Hawaiians gather ed at Kalihi camp last night to hear what the Republican speakers had to say. The meeting was a consing one and the hall and porches where the the head of the Supreme Court cal- speakers held forth were crowded. The son given is "the public interest and way this meeting held under the austhe importance thereof to the commu- pices of the Young Men's Republican Club, was a success.

Senator Kanuha, one of the strongfor discharge of Thomas Aiu of Kai- est Hawaiian speakers in the city and lua as receiver in the case of H. Hack- the man who left the Home Rule party followed him unfatteringly into the Ralston Iron Works by Smith & camp of the Republicans, made a most Lewis, its attorneys, has discontinued eloquent speech. His whole effort was its suit against J. P. Mendonca; C. in answer to a remark made by a Home Bolte and J. O. Carter, trustees for Ruler in the ball to the effect that he J. P. Mendonca, and H. E. Hendricks, was a snake. He was so carnest and individually and as proprietor and de-ing business under the firm name of noise which was started when he first the Hawalian Iron Pence and Monu- arose soon died away and the natives

listened attentively.

Kannha asked his countrymen if it was a snake that went to Diamond U. egate and thereby accomplish some good for the Territory.
